### Local area features

Cronulla High School is situated a short walk from the great beaches of Cronulla, a southern suburb of Sydney. The area has good bus and train public transport for easy access to all areas of Sydney.

"This year at Cronulla High School has been the best year of my life so far. I found it very easy to fit in because of the availability and kindness of all my teachers and friends who made me feel part of their group straight away. The number of subjects available is huge and they also cover different fields so that everyone can feel satisfied with what they choose. Teachers are always willing to help me when I need it and also, in Year 12, they spend a lot of time giving advice and helping the students with their HSC to make sure they do the best they can. During this year I had a lot of fun experiences that I'm not able to have in Italy. This year has been fun, hard, amazing and life changing. I feel I've grown a lot and it's also because of the people I've met at school and outside. Thank you all!"
