

# Eastern Fleurieu School

Eastern Fleurieu School is a unique multi-campus Reception to Year 12 school with campuses in Strathalbyn and the nearby towns of Ashbourne, Langhorne Creek and Milang. The school is a community where self-worth and mutual respect are valued and which fosters life-long learning. We offer comprehensive, flexible learning programs which cater for the individual aspirations and abilities of students, including successful tertiary entrance and vocational pathways. Strathalbyn is in the heart of the Fleurieu Peninsula and is one of the state's prime tourist destinations as it is only a 55km drive southeast of Adelaide through the picturesque foothills of the Mount Lofty Ranges and is the gateway to the beaches, wine regions, grazing and farming areas, and national parks of the Fleurieu Peninsula.
