

# Applecross Senior High School

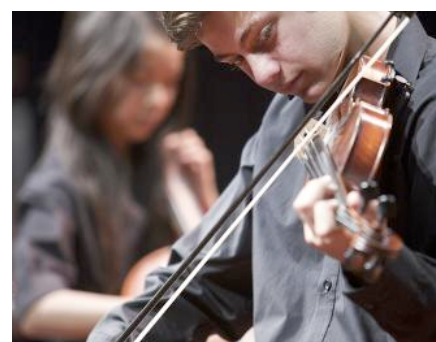

**Address:** Links Road, Ardross WA 6153

**Distance from city:** 10 km

**Year established:** 1958

**School population:** 1250

**Website:** [www.applecross.wa.edu.au](http://www.applecross.wa.edu.au)

Applecross Senior High School embraces a tradition of excellence and continues a reputation for high academic, sporting and cultural achievements for secondary students in Years 8 to 12.

The school offers programs in Visual Arts (Gifted and Talented) and elite Tennis (Specialist Program) plus Academic Extension programs. The Academic Extension Program provides special classes for students who have been selected on the basis of their performance. Students in the Program are offered a wide range of rich learning experiences and are required to complete more in-depth studies to develop high level skills and competencies to become independent learners.

Applecross also offers excellent opportunities for students to be involved in Drama, Dance and Music (Junior and Senior String Orchestras, Junior and Senior Concert Bands, a Jazz Band, Chamber Choir, plus Junior & Senior Guitar Ensembles).

Additionally there is a strong co-curricular program, including Debating, Creative Writing and many sports such as football and soccer. The varied curriculum allows each student to develop their individual passions and talents.

Whilst a large number of our students choose university bound courses, a range of options for all students with a successful Flexible Learning program and a number of certificate courses in the Technology & Enterprise area catering specifically for vocational education are also provided.
