

Fraser Coast Anglican College - private

Address: Lot 2, Doolong South Rd, Hervey Bay QLD 4655 **Distance from city:** 6 km

Year established: 1994

School population: 800

Website: www.fcac.qld.edu.au

Fraser Coast Anglican College is located on 64 acres of natural bush land, with kangaroos being regular visitors on the lawn right in front of the school. FCAC is only a couple of kilometres away from the beach and heritage listed Fraser Island, the biggest sand island in the world.

The school is new and modern with big classrooms, a 21st century library, a state of the art language centre, computer and science labs and the latest technical equipment. In August you might be able to join an eight day camp to the Great Barrier Reef. Don't miss out on that one. They offer marine biology as a subject with access to big boats suitable for the open sea.

Interesting subjects at Fraser Coast Anglican College are graphics, IT, law, hospitality, theater, multimedia, programming and computer design. The College has special art, music and drama rooms and bands such as concert bands, brass bands, woodwind, string, percussion and drums, even marching and stage/jazz bands.

In the sports department volleyball, athletics, softball, cross country, soccer, swimming, rugby union, hockey, touch football, netball, chess are on offer as well as a unique outdoor education program.

You can learn French and Chinese and for the ones needing extra help with English specialized ESL (English as a Second Language) teachers are available for help.
